Picturing Writing Classroom Kit options available: \$560 for 20 students; \$625 for 24 students (includes shipping 40⁺ lb. box)

I have never in my 30 years of teaching seen first graders write like this or be so attuned to literature. This approach works for my low readers and writers; it challenges my top students; and it supports those in the middle.

- Merrilee Thissell, first-grade teacher

Picturing Writing allowed all my children to be successful. It provided wonderful concrete tools for rehearsal, drafting, and revision. I saw the most growth with my lowest students.

- Millie Parks, fifth-grade teacher

I had great success using these methods with English Learners and other at-risk students. This visual approach promotes oral language skills and writing that flows directly from the pictures students have painted with care.

- Donna Garcia, Instructor of Language & Literacy, UNM
