

Picturing Writing and Image-Making Instructional Video Packages by Beth Olshansky

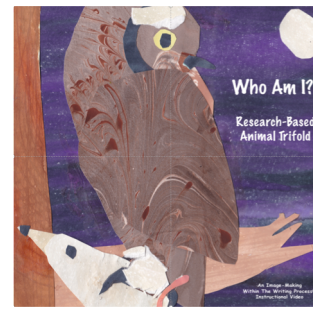

Words Make My Picture Come Alive
Visit a primary and an upper elementary classroom to view the foundational Picturing Writing Time of Day Unit in action. This instructional video, now available online, provides an overview of the process, step-by-step lessons, and examples of Picturing Writing being integrated across the curriculum. (2.8 hours)

Picturing Writing Research-Based Animal Stories This narrated photo montage provides a detailed overview of the Picturing Writing Research-Based Animal Story Unit. Beth walks teachers step-by-step through the entire research-based narrative process which combines informational reading and writing with narrative reading and writing. (30 minutes — available online)

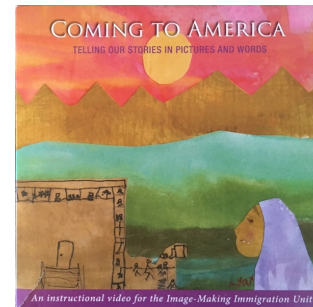

Picturing Writing Weather Poetry
The Picturing Writing Weather Poetry Unit teaches poetry in a way that is concrete and accessible to a wide range of learners. This instructional video, now available online, provides an overview of the entire unit as well as step-by-step sample art and writing lessons. (3.5 hours)

Who Am I? Image-Making Research-Based Animal Trifold This comprehensive instructional video provides a detailed overview of this entire inquiry-based unit of study as well as every lesson necessary to facilitating the process in the classroom. Learn how to conduct visual and written research, create a portfolio of hand-painted papers, and embed facts into both collage images and poems. (6.5 hours – available online)

Creating Winter Stories in Pictures and Words
The Picturing Writing Winter Story Unit teaches narrative writing in a way that is concrete and engaging. This instructional video, now available online, provides a comprehensive overview of the entire unit as well as step-by-step lessons that address each literary element in both pictures and words. Witness students create their own quality picture books page-by-page. (6 hours)

Coming to America: Telling Our Stories in Pictures and Words Witness the Image-Making Immigration Stories Unit unfold as English Learners and native English speakers reconstruct their family immigration stories in pictures and words using collage made from hand-painted papers. Students find common ground and as they develop a deeper understanding of the immigrant experience. (3.5 hours – available online)

Picturing Writing Research-Based Animal Poetry
Observe Artists/Writers Workshop in action while visiting an elementary classroom of English Learners, grades 3-5, as they craft their own inquiry-based animal trifolds. Following a lively introduction, this instructional video, now available online, offers step-by-step art and writing lessons designed to meet the needs of a wide range of learners. (1.8 hours)

Our Stories in Pictures and Words As Told By Immigrant and Refugee Children
This 13-minute video captures English Learners, grades 3-5, sharing the family immigration stories they created using the Image-Making Within The Writing Process®. This video, also available online, complements the above video and is included in the instructional package.
